B.A. In Computer Science 2015-2016 (128 credits)

Arts and Sciences Core (56 credits)	Term	Grade	Math (6 credits) Computer Science (36 credits) Discipline for Comp. Thinking (12 credits) General Electives (18 credits)	Term	Grade
Thought and Expression (7 credits)			Math (6 credits)		
ENGL 101 (3) English Composition			MATH 148 (3) Survey of Calculus		
PHIL 101 (2) Intro to Critical Thinking			MATH 231 (3) Discrete Math		
SPCO 101 (2) Intro to Speech Comm			Computer Science Core (15 credits)		
Philosophy (9 credits)			CPSC 121 (3) Computer Science I		
PHIL 201 (3) Phil of Human Nature			CPSC 122 (3) Computer Science II		
PHIL 301 (3) Ethics			CPSC 223 (3) Alg. & Adv. Data Structures		
PHIL 4xx (3)			CPSC 491 (3) Senior Design I		
Religious Studies (9 credits)			CPSC 492 (3) Senior Design II		
RELI 1xx (3)			CPSC 499 (0) Field Test		
RELI 2xx (3)			Computer Science DCT (9 credits)		
RELI 3xx (3)					
English Literature (3 credits)					
ENGL 102, 103H, 105, or 106 (3)					
History (6 credits)			Computer Science Electives (12 credits)		
HIST 101 (3) Western Civ I					
HIST 102 or 112 (3) Western or World Civ					
Fine Arts (3 credits)					
Approved VART, MUSC, or THEA (3)					
Literature (3 credits)			DCT Courses (12-15 credits)		
ENGL 201-285 except ENGL 250 (3)					
Social Science (6 credits)					
CRIM 101, ECON, SOCI, POLS, or PSYCH					
CRIM 101, ECON, SOCI, POLS, or PSYCH					
Foreign Language or Culture (3 credits)			General Electives (15-18 credits)		
Any foreign language or approved culture					
Social Justice (3 credits)					
Choose from approved courses					
Lab Science (4 credits)					
BIOL, CHEM, PHYS with Lab					

- 1. MATH 157 (Calculus-Analytic Geometry I) can be taken in place of MATH 148
- 2. Discipline for Computational Thinking (DCT) courses determined by DCT committee for area of concentration
- 3. Current DCT areas include Art, Biology, Communication Studies, Economics, English, Environmental Studies, History, Philosophy, Sociology, and Theatre Arts
- 4. No more than 4 CPSC courses in the degree can be at the 200 level
- 5. General electives can include no more than 8 "activity" courses
