

To-Do

Lecture 20 introduced the MyPL virtual machine and gave a couple of examples of VM instructions. Be sure to do the following.

1. ***Finish up HW-4.*** You should be close to finishing HW-4. The assignment is due the Wednesday after spring break.
2. ***Review the lecture notes.*** Be sure you review the lecture notes to ensure you understand the basic idea of the virtual machine.
3. ***Spring Break.*** Have a great spring break!!!
